

### REMARKS

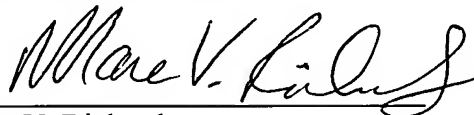

In response to the Notice of Drawing Inconsistency with Specification, Applicant has deleted the paragraph on page 10, lines 30-32, relating to Figure 6 to make the description of the drawings in the specification consistent with what is contained in the drawings, as only Figures 1-5 were filed with the original application. Applicant requests the Examiner approve the correction.

Should the Examiner believe that anything further is desirable in order to place the application in better condition for allowance, the Examiner is invited to contact Applicant's undersigned attorney at the telephone number listed below.

Respectfully submitted,
